Dear Professor Rafid Chenadan Sir,

I am writing to provide a status update on the preparations for KLH Bachupally's annual tech-fest, "Viwentiaa 2026."

- **Tasks Completed:** The event schedule is finalized, speaker invitations have been sent out, and the registration portal is live.

- **Preparations Made:** We have secured the main auditorium and coordinated with the logistics team for equipment setup.

- **Remaining Tasks:** We still need to finalize the volunteer duty rosters and print the event banners before the festival begins.

We will keep you updated as we complete the final items on our list.

Warm regards,

T.Avinash,

Organizing Committee, Viwentiaa 2026

KLH Bachupally
